THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

[DOCKET NO. 2018-361-S](#) - Application of Carolina Water Service, Incorporated for Approval to Change Actual Cost for Pumping Interceptor Tanks - Staff Presents for Commission Consideration Carolina Water Service, Incorporated's Request for Approval, without a Public Hearing, Its Application to Change Actual Cost for Pumping Interceptor Tanks.

COMMISSION ACTION:

S.C. Code §58-5-240(G) allows the Commission to put rates or tariffs into effect without a hearing, but does not speak to notice requirements. Carolina Water Service, Inc. (CWS) has requested that it be allowed to implement its proposed change in the charge for pumping interceptor tanks without a public hearing, providing written notice of the change to all affected customers within thirty days of approval by this Commission. ORS has recommended that the Commission require CWS to provide notice to affected customers prior to approving the proposed change. In order to provide customers adequate opportunity to comment regarding the proposed change, I move that the Commission order that CWS issue its notice of the proposed change by bill insert, letter, or publication, and provide proof of such notice to this Commission. Upon the passing of 30 days after such proof of notice is filed, the proposed change may be implemented without further action of this Commission only if no comments are filed. Should comments or Petitions to Intervene be received, I move that the Commission reconsider disposition of this matter at that time.
